Important Information:

- Deadlines for applications for public hearings (special use permit, rezoning, etc.) are approximately 30 days before the scheduled Planning Commission meeting. This allows staff proper time to advertise and have all supporting documentation prepared.
- All Planning Commission meetings are held in Council Chambers, at 2:00pm, on the 1st and 3rd Thursday of each month.
- Planning Commission meetings dates are subject to change due to lack of quorum, holidays, or unforeseen circumstances. Staff makes sure to schedule public hearings on dates that most Planning Commission members will be available.
- Once action is taken by the Planning Commission at a public hearing, the application is then forwarded to the City Manager's office to be considered at a public hearing with City Council.
